

100 12x12-Sudokus Nr. 1

Moritz Lenz

8. Juni 2008

Here you can find 100 12x12-Sudokus consisting of 4x3 sub blocks, using letters rather than numbers. They have only one solution each, the solutions are given on pages 51pp.

You can get this document for free from <http://sudokugarden.de/en/download-pdf>

Feedback is always welcome, please send an email to moritz@faii2k3.org.
